

2021 EVENT SPONSORSHIP

After taking a hiatus in 2020, Sultana's two cherished community events - its Annual Gala and Downrigging Weekend - are back for 2021. Sponsoring these events is a unique opportunity to show your support for the community and the Foundation's award-winning programs.

NEW - A Single Sponsorship!

For 2021 we are offering a single sponsorship supporting both Sultana's Annual Gala and Downrigging Festival. Sponsors receive benefits for both events, effectively doubling the value of your sponsorship.
